The Festivals

The most fun, unique cultural event featuring adrenaline-pumping action, dragon boat racing is friendly competition with community spirit.

A thrilling ride, sparking competitive fire in a rush of racing action, teams of 20 paddlers, a drummer and steerer race in authentic 41-foot long Hong Kong style dragon boats. All ages, skill levels and physiques can participate, making it the ultimate team building sport, requiring synchronicity and finesse, more than power to succeed.

Festivals spark the true meaning of team – racing on the water and raising money off the water. It's a win-win that keeps them coming back every year!
